

Camp Laughing Loon Lifeguard Job Description

Camp Laughing Loon, a seasonal day camp on Little Ossipee Lake in East Waterboro, Maine is looking for an individual with lifeguarding certification to teach swim lessons and perform lifeguarding duties. Along with waterfront responsibilities, you will also get the full camp experience.! If you enjoy being outdoors and working with children ages 6-12 and dynamic staff, this job is for you!

Qualifications:

- Lifeguard certification required
- CPR certification (preferred)
- Minimum age requirement: 18 years
- Excellent communication skills with the ability to interact maturely and compassionately
- Available June 24 - August 16,
- 40 hours per week
- Monday to Friday, 8:30 - 4:30

Pay Rate: Competitive hourly rate based on experience

Responsibilities:

- Carry out assigned duties and responsibilities as instructed by the Water Safety Instructor (WSI), Assistant Director, and Camp Director
- Conduct five blocks of swim lessons daily while fulfilling lifeguard duties
- Create a positive and enjoyable experience for campers through professional and courteous behavior
- Maintain a professional appearance and attitude at all times
- Ensure the health and safety of campers, including regular inspections of teaching and practice areas to eliminate hazards and ensure the safety of equipment
- Regularly communicate with campers to provide updates on their progress and address any concerns
- Respond promptly and effectively in emergencies following camp emergency action plans

- Arrive punctually for all scheduled class times, fully prepared to teach, including equipment setup and storage
- Foster positive relationships with coworkers and supervisors
- Continuously monitor campers in the water, taking swift action in emergency rescue situations
- Conduct buddy checks regularly to ensure the appropriate headcount of campers in the water
- Demonstrate a comprehensive understanding of health and safety expectations, policies, and guidelines, consistently applying them in all activities
- Review waterfront expectations with campers before entering the water
- Identify and address potential hazards to prevent accidents
- Perform miscellaneous job-related duties as assigned, such as assisting with Friday theme days, hill games, snack supervision, etc.
